

AETNA BETTER HEALTH®

Mobile application user guide

With the Aetna Better Health application, you can get on demand access to the tools you need to stay healthy. Find a doctor, request a Member ID card or change your Primary Care Physician (PCP) at any time, from anywhere. It's easy. Just download the app to your mobile device or tablet.

Mobile app features

- Find a provider
- View or request your Member ID card
- Change your PCP
- View your claims and prescriptions
- Message Member Services for questions or support
- Update your phone number, address and other member details

Download app

To get the mobile app, you can download it from **Apple's App Store** or **Google's Play Store**. It's free to download. This app is available on certain devices and operating systems (OS).

To access any of the menu items, **you will need to register.**

- If you have registered for the Member Portal on your health plan's website you are already registered.
- If you have not, you can register through this app.
- Just have your member ID card with you.

 CITY, ST 00000

Office: [\(555\) 555-5557](tel:5555555557)
 Fax: [\(555\) 555-5558](tel:5555555558)

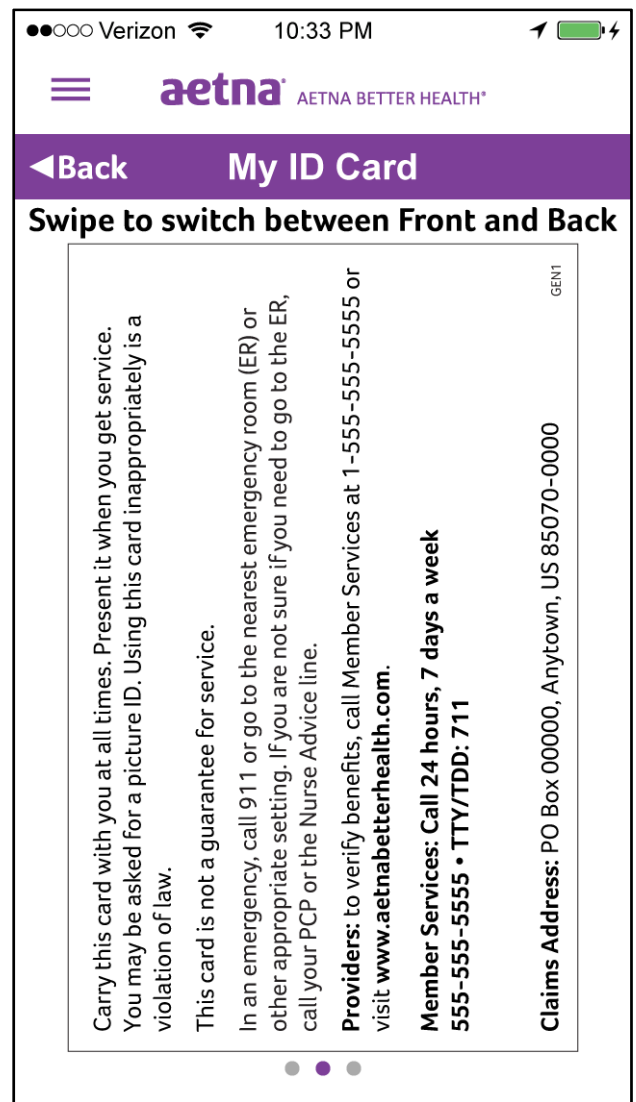

There are different ways you can use the search:

- **Search by Name:** Fill in the last name of the provider, hospital or medical group. Do not type "doctor" or "Dr." in the search box.
- **Search by Location:** Fill in a ZIP code. If you want to search in a general area, enter a ZIP code and select how many miles around the ZIP code you want to search. You can also search by city. If searching by location for:
 - A **Primary Care Provider (PCP)**, select PCP from the drop down menu in the specialty type box
 - A **Hospital**, select Hospital from the drop down menu in the specialty type box
 - A **Specialist**, select the desired Specialist from the drop down menu in the specialty type box

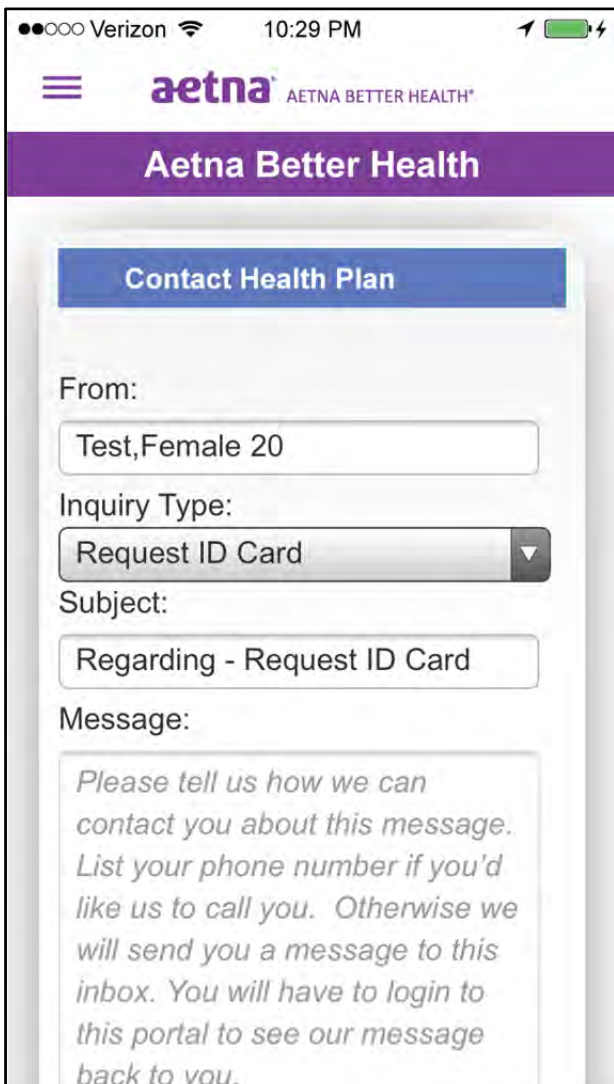

6. My ID card (front)

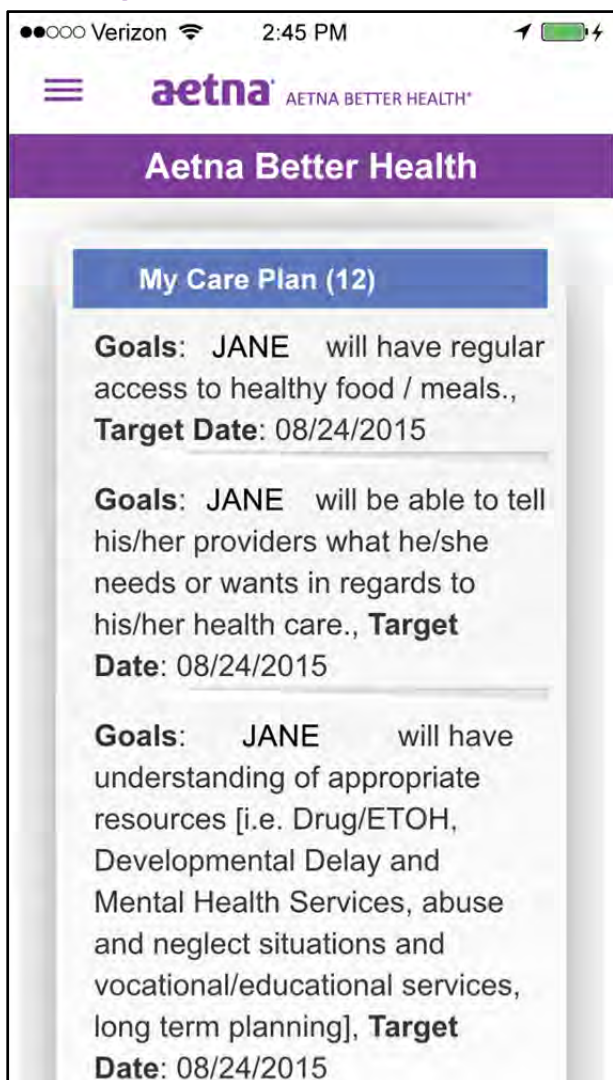

6.a My ID card (back)

6.1 Request ID card

7. My Care Plan

7. My Care Plan is the care plan that you and your care manager have developed for you if you are enrolled in a care management program. If you do not have a care plan, it will show “No results found”.

8. Add new people to your support circle hit “**Add Support Circle**”. You can send a message to someone in your support circle.

8.1 You can assign a task to people in your Support Group. They can even be your provider or care manager.

-Sending a task moves it to **Assigned**.

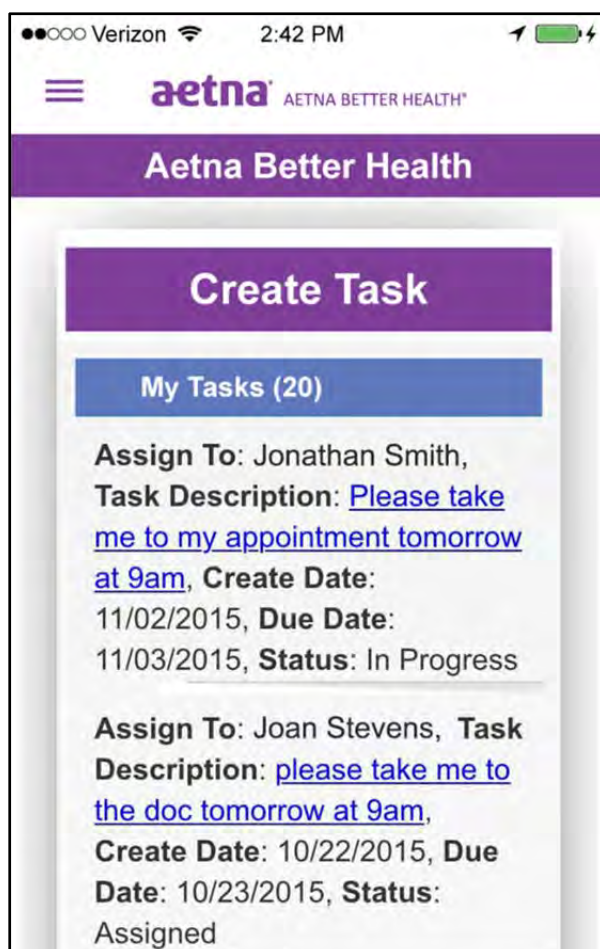

-Your support circle person accepts and it moves to **In Progress**.

-When done, you change to **Complete**.
