

Aetna Better Health[®] of Kansas

As a participating provider with Aetna Better Health, we would like to invite you and your office staff to join us for a very important training session about our program and services. These onsite and training webinars will provide valuable information on the following:

- Aetna Better Health’s approach to care management
- Claims processing
- Prior authorization requirements/responsibilities and opportunities

The training will be held onsite and virtually via webinar / web training. Please choose from one of the following dates and times.

RSVP: Please click on one of the links below to RSVP. (Please note that you will need to add this to your calendar directly. WebEx meeting links will be sent to you approximately an hour prior to each meeting time. Training attestations will be sent out after the meeting and will need to be completed and sent back in order to receive credit for the training.
