

September 7, 2016

Dear Colleague:

Effective 10/25/2016, Aetna Better Health of Virginia members will require prior authorization for Cardiology services from eviCore healthcare for dates of service 11/01/2016 and after. Services performed without authorization may be denied for payment, and you may not seek reimbursement from members.

Authorization is required for elected services below: (*Denotes New Category)

- **Echo***
- **Echo Stress***
- **Cardiac MR, PET, CT***
- **Myocardial Perfusion Imaging***
- **Diagnostic Heart Catheterization***

Services performed in conjunction with an inpatient stay, 23-hour observation, or emergency room visit are not subject to authorization requirements.

To request an authorization, submit your request online, by phone or fax:

- Log onto <https://evicore.com/Pages/ProviderLogin.aspx>. Utilizing the web is the quickest, most efficient way to initiate a request
- Call us at 1-888-693-3211
- Fax an eviCore healthcare request form (available online) to 1-844-82AETNA

For urgent requests: If services are required in less than 48 hours due to medically urgent conditions, please call our toll-free number for expedited authorization reviews. Be sure to tell our representative the authorization is for medically urgent care.

We recommend that ordering physicians secure authorizations and pass the authorization numbers to the rendering facilities at the time of scheduling. Authorizations contain authorization numbers and one or more CPT codes specific to the services authorized. If the service(s) listed on the authorization needs to be changed, the rendering facility must contact us for review and authorization prior to claim submission.

Have questions about requesting authorizations? Attend our online orientation! The orientation schedule, program training resources, Clinical Guidelines, CPT codes managed, and fax request forms are available at <http://www.medsolutions.com/implementation/abhva>. Please email our client services department at clientservices@eviCore.com if you have any questions or need more information.

Sincerely,

Gregg P. Allen, M.D.
